**Karunesh Remedies**

Mfg.: Bulk Drug & Drug Intermediates  
(WHO GMP & ISO 9001:2015 CERTIFIED COMPANY)

# Welcome to our **KARUNESH REMEDIES**

Karunesh Remedies is WHO GMP & ISO 9001:2015 Certified Active Pharmaceutical Ingredients (API'S) and Pharmaceutical Intermediates Manufacturing And Exporting Unit, Established In 2007 Located at GIDC Panoli, Ankleshwar (The Chemical Hub of India) of Gujarat, India.

Karunesh Remedies Continuously Engaged In The Developing Advanced API'S Through R&D Using Innovative Technologies, Taking Full Advantage of Our Core Competencies, Equipment and Facilities.

We Also Work With An Efficient And Professional Team, Which Is Market Savvy and Capable of Adapting To Demands of The Business. We Concentrate on Customers Requirements and Entrust All Outsourcing Hassles to our Experienced Hands For Supplying High Quality API'S at Competitive Prices Complying With Stringent Regulatory Requirements.

## OUR **SERVICES**

- API Manufacturing
- Impurity Synthesis
- Contract Manufacturing
- Custom Synthesis and Process Development In The Lab to Establish Proof of Concept.
- Scale Up Studies for any Given Process
- Process Optimization
- Regulatory Documentation, Including DMFS (CTD Format)
- Scale-Up Production From a Few Kgs to Tons.

## OUR **STRENGTH**

- Highly Enthusiastic and Experienced Team With Technical Experience and Expertise.
- Benchmark Quality.
- Partnership and Collaboration.
- Focus On Innovation By Modernization and Optimization.
- Cost Effective Process Development.
- Continuous Learning and Knowledge Sharing.
- Environmental Safety and Social Responsibilities.

## **CERTIFICATES**

Manufacturing License in Form No.25 & Form No.28

## ACTIVE PHARMACEUTICAL INGREDIENTS

PRODUCTS NAME	END USE	STANDARDS	CAS NO.
Cetirizine Dihydrochloride	Antihistaminic	IP/BP/EP/USP	83881-52-1
Levocetirizine Hydrochloride	Antihistaminic	IP/BP/USP	130018-77-8
Bupropion Hydrochloride	Anti-Depressant	IP/USP	31677-93-7
Ticagrelor	Anti-platelet	IP/BP/EP/INH	274693-27-5
Chlorpheniramine Maleate	Antihistaminic	IP/BP/EP/USP	113-92-8
Doxofylline	Bronchodilator	IP/INH	69975-86-6
Allopurinol	Uricosuric agent	IP/BP/EP/USP	315-30-0
Cilostazol	Indicated in Intermittent Claudication	IP/USP	73963-72-1
Clopidogrel Bisulphate	Antithrombotic	IP/BP/EP/USP	120202-66-6
Clotrimazole	Antifungal	IP/BP/EP/USP	23593-75-1
Quetiapine Fumarate	Antipsychotic	IP/BP/EP/USP	111974-72-2
Benfotiamine	To Treat diabetic neuropathy	INH	22457-89-2
Etoricoxib	Anti-Inflammatory	IP/INH	202409-3-4

## API INTERMEDIATES

PRODUCTS NAME	APPLICATION	CAS NO.
4-Chloro Benzhydryl Piperazine	Intermediate of Cetirizine Dihydrochloride	303-26-4
(R)-1-[(4-chlorophenyl) Phenyl methyl] Piperazine	Intermediate of Levocetirizine Hydrochloride	300543-56-0
(D-(+)-Methyl-(2-thienylethamino) (2-chlorophenyl)acetate hydrochloride	Intermediate of Clopidogrel Bisulfate	141109-19-5
2-(Bromomethyl)-1,3-Dioxolane	Intermedite of Doxofylline	4360-63-8
1-(6-methylpyridin-3-yl)-2-(4-(methylsulfonyl)phenyl)ethan-1-one [Ketosulfone]	Intermediate of Etoricoxib	221615-75-4
2-Bromo-3'-Chloropropiophenone	Intermediate of Bupropion HCL	34911-51-8
4- Chloro Benzhydryl Chloride	Intermediate of Cetirizine Dihydrochloride	134-83-8
(+) Chloro phenyl glycine methyl ester tartarate salt	Intermediate of Clopidogrel Bisulfate	141109-14-4
